PURPOSE: The Alcohol Review Committee (ARC) has received and reviewed an alcohol beverage license application to add Distilled Spirits to an existing Beer/Wine/Malt beverages license. The location to be considered for this alcohol beverage license is The Omega Café located at 4260 E Ponce de Leon Avenue.

NEED/ IMPACT: The Omega Café is an existing restaurant that was approved for a Beer/Wine/Malt Beverages alcohol license at the August 9, 2012 Council Meeting. The owners of the Omega Café have completed and submitted an application for the addition of Distilled Spirits to their alcohol beverage license. As The Omega Café received all of the required inspections and background checks as a part of the initial application and their January 2013 renewal, the ARC did not require the applicant to duplicate the full application for this request.

RECOMMENDATIONS: Staff (ARC) recommends that the Mayor and Council approve the application for the addition of Distilled Spirits for the Omega Cafe.
